

Speech and Language Support for 5-11s

e-learning training course

FAQ's

What is the course content?

The courses taught are 'Speech and Language support for 0-3s' and 'Speech and Language support for 5-11s', you can book a place on either course.

Is it accredited?

Yes, accreditation is through an externally quality assured and Ofqual regulated national Awarding Organisation. You can achieve 9 credits at either level 2 or level 3; you choose the level you want to study at. You will complete a portfolio which will be sent by email to the course tutor. Assignments will be completed and marked weekly.

How is it taught?

This course is blended learning which means you will do some work via the web and some in a weekly web based tutorial.

How long will it take?

The whole course will take no more than 90 hours, approx. 80 hours of it will be completed in your own time online and 10 hours will be completed in the tutorial. You must commit to attending all the webinars unless there are exceptional circumstances preventing this from happening.

What additional course material is there?

Most of the course material will be online and downloadable. On registration you will be sent a copy of our book, Language Builders which is essential reading. It is very practical and contains a wealth of ideas to support you with the training and in your practice.

How much will it cost?

The total cost for the training is £350 including the book and accreditation fee.

What do I do now?

Apply online for a systems check, visit <http://www.elklan.co.uk/information/practitioners/e-learning-opportunities>. Once this has been completed you can purchase the course through [the website](#), we will give further details once you have reached this stage in the process. All applicants MUST book and complete this session prior to being accepted on the programme.

When is the next course?

Course dates are posted on our website, visit <http://www.elklan.co.uk/elearning/apply> for more information
